

YOUTHFORCE

2023 SERVICES

YouthForce is an Employment Social Enterprise (ESE) that connects youth facing barriers to meaningful work and fair pay through community service projects and skills training that help eliminate barriers while giving back to the community. When you book a job with YouthForce, you help us create sustainable revenue that expands our program for future participants.

Landscaping & Beautification

Property maintenance, basic landscaping, garbage clean up, caring for shared community spaces, sharps pickup and disposal, garden projects in the form of mulching, watering and general upkeep, creating new plots and cultivating the space.

Deliveries & Canvassing

YouthForce has delivered over 34,000 flyers, magnets, and surveys that are part of community outreach projects.

Cleaning & Maintenance

Commercial cleaning, waste disposal, general building maintenance, moving and organization.

Housing Unit Inspections

Inspection services and reports for apartments, townhouses, condos, and single-family homes. 3,822 inspections have been completed since 2019.
